Dear Friend:

I am writing to follow through our telephone conversation.

Any of our teams will be glad to come to Brooklyn to play a night game, but the league objects to us playing any team in The United States League.

Following are the dates I see The Dodgers are away, when The Eagles could come in. Mon. Aug. 26th, Thurs. Sept. 5th, and Sun. Sept. 22nd. We finish our league season Sept. 15th, but due to the fact The Bears may be in the International League playoffs, we may have to find some place to play our world series games. We have won the first half of the league race, and are trying to win the second. We definitely may want Sept. 22nd. In the meantime give some thought to letting us bring in a team for one of these nights mentioned. If we will be able to have Aug. 26th, we will have to get busy on it, as there is not much time.

Please let me hear from you one way or the other. We are receiving requests daily to play one place or the other, and we may accept one of them, if we cannot get into Ebbetts Field.

Very Truly Yours
